PEPCO Rate Case

Pepco filed 30/2016 a Columbia PSC filing complaint ("complaint") requesting a $82.1 million increase in the rates that Columbia consumers pay Pepco for their electricity. The PSC policy staff urges you to be aware of this request and to attend the upcoming hearing on the Rate Case.

Pepco's Application for an Increase in Rates

$82,119,000 - Pepco asked for an increase in rates to make up for a shortfall of $82.1 million in revenue. The request includes a rate increase of $4.36 per kilowatt-hour, which would increase the average bill for a typical customer by 23.7%.

Pepco Calculation

The requested rate increase is based on the following:

1. A 13% increase in revenue for 2015.
2. A 13% increase in revenue for 2016.
3. An estimated rate increase of 10.6% for future years.

Pepco has proposed a rate increase of $82,119,000, which would increase the average bill for a typical customer by 23.7%.

Public Hearing

The hearing will be held on February 15-17 and February 20-21, 2017.
